The Sanskrit College at Ratnapura was included recently in the list of institutions to which articles of stationery are supplied by the Govt. Stationery Dept. If this is so, I do not see how any differentiation can be made between this & Sanskrit Colleges. The Sanskrit College at Galle may also be brought on the list of institutions to which supplies of Govt. Stationery are made.

SIR,

I have the honor to request you will be so good as to arrange for inclusion of Sri Chamarajendra Sanskrit College, Bangalore, in the list of institutions to which stationery articles and forms are to be supplied every year from the Government Stationery Depot. The institution is a Government College and is administered by the Muzrai Department. Similar institutions are, I understand, enjoying the privilege of being supplied with stationery and forms by the Superintendent, Government Stationery.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Superintendent.

BANGALORE.

SIR,

With reference to your letter No.G.497/P.S.9-18-176 dated 8th July 1919, enquiring how the supply of stationery etc. to the Sri Chamarajendra Sanskrit College was being managed till now, I have the honour to state that pr to the reorganization the College was being treated as a grant-in-aid institution and only a sum of Rs.1-8-0 per month or Rs.18/- a year was being allowed to the College towards the contingent expenses. This amount which was found wholly inadequate was being supplemented by amounts realized by the annual sale of the right to graze cattle in the College compound. This practice of utilizing the sale amount for the purposes indicated above having been objected to by the Financial Department, the amounts ...lized in subsequent years were credited to State Funds and the College thus lost the benefit of these amounts also.

2. Latterly such of the articles of stationery etc. as could be spared from the limited supply of this office used to be sent to the College and small sums also were being made available from the contingent grant of this office for the purchase of books etc. It will thus be seen that there has been no uniform practice for the supply of stationery articles

and that consequently great difficulty is being felt in conducting the periodical examinations etc.

In the revised scale of establishment and other charges sanctioned in Government Proceedings No.3333-45/Edn. 103-15-7 dated 27th September 1917 a sum of Rs.15/- a month has been provided for towards "Library and Contingencies" and this amount has been found wholly inadequate for the purposes. In connection with the budget estimates of the year 1919-20 a recommendation was submitted to Government for an enhanced grant of Rs.50/- a month but the proposal does not seem to have been sanctioned.

4. In these circumstances, I beg to recommend that the College may be brought on the list of institutions which are entitled to the free supply of stationery articles, forms, etc. from Government as otherwise the College work will be much hampered.

5. Letter No.35 dated 30th August 1919 received from the Principal of the College is also submitted for reference.

I have the honour to be,

Sir,

Ypur most obedient servant,

Muzrai Superintendent.

reference to your office memorandum no: 11584 dated 23rd August 1919 requesting to report at an early date as to how the supplying of stationery articles to the college was being managed till now, I have the honour to state that the stationery articles especially papers etc for the purposes of Examination were used to be got uniformly (if I remember well), from the Allegarh Superintendent Office at times and to be purchased by special grants sanctions, till the Re-organization Scheme was introduced in 1918 as the contingent grant was only Rs 1-8-0 till then; and that from 1.7.1918, the stationery articles are being purchased from the Contingent & Library grant of Rs 15/- per month sanctioned in G.O. no: 3333-45—Edn 103—15—J dated 27.9.1917.

2. I

Viz Rs 15/ provided for both Library & contingent is found to be insufficient for use of these articles and so great difficulty felt to supply the things under the

I may also state that on account of the growth of work in the College there has arisen a necessity for the purchase, at frequent intervals, of larger quantities of stationary articles, other Examination requisites and also many forms, books &c, other than those that are expected to be supplied by the Inspector General of Education, out of the contingent amount which is found very inadequate now, even if the whole of it is spent for that purpose alone.

I take this opportunity to suggest therefore that either larger amounts separately under Library and Contingencies should be provided in the Budget of this College or this College should be included in the list of Public offices and Colleges to which Stationary articles are supplied directly from the Government Stationary Department, at the same time issuing necessary instructions to the Inspector General of Education to continue the supply to this College of the usual class books, maps, boards, [illegible], Attendance Registers forms &c as it has been done since 1894.

I beg further to state that as a house for the lodging of the Mofussil students of the College has been hired, the rent and also charges for the furniture will have to be paid out of the larger amounts to be provided under Contingencies till Separate provisions under "Rent" & "Furniture" should be provided in the Budget.

In this connection, I beg to invite attention to the resolution No: 3 of the College Committee meeting held on 24. 5. 1919 on

: which the Committee propose to provide
in the Budget for Rs 1500 a year for all the
above items including Lighting charges and
Excess Water charges, and I request that
the feasability of its being submitted to
Government may also be considered now.
